Student's Full Name (Print):

Student's Grade level:

Teacher's name:

School's name:

Production title:

Length in MM:SS:

**NOTE: All projects must be school appropriate in language, images, and content.**

**General Directions:** produce a video with a genre of your choice.

To assist in the brainstorming process about what to produce, here is a list of potential sample theme options that you might consider:

Community, Politics, Family, Friendship, Economics and Finance, School and Education, Faith and Religion, Sports, History, Industry, Government, etc.

**Please note:**

Other considerations may be:

- Showing concern about a current issue in society, raising awareness about a major community concern, benefits/or issues of concern in education, addressing how religion and/or spirituality affect society, family economics, racism and bigotry, impact of politics on life, society, family, public safety, issues that pertains to vehicle and traffic safety, equal education, senior caregiving, foster care giving, animal caregiving, building a united cohesive local community.
- A video about men by men. Or A video about women by women.

**Video Genre** examples that may be considered:

- P.S.A. (Public Service Announcement)
- Mini Documentary
- Poetry
- Music Video
- Comedy
- Horror
- News Broadcast
- Talk show style
- Other – your choice.

**Basic criteria of video project:**

1. Length: 1-4 minutes
2. Must have a clear message.
3. Good quality video and audio as well as clean edits (no unintentional black frames between edits.)
4. Must have a 10-second beginning title screen that contains project title, name(s) of producer(s), school, & production date.
5. Must have an ending title screen that contains credits on research sources, music (if used) and any other production elements that needs to be credited.
6. Acceptable media for submission: - .mov or .mp4 ; Shared on Gmail Drive, email, a Flash Drive.

**Please refer to the accompanying rubric for additional details.**
