Dream It Do It WNY Scholarship Program FAQ

1. What is Dream It Do It?

Dream It Do It Western New York is a workforce development initiative dedicated to strengthening the region's advanced manufacturing workforce by serving as the trusted bridge between industry and education. They connect manufacturers with students, educators, counselors, administrators, and school districts to inspire career exploration, expand work-based learning opportunities, and build meaningful pathways from the classroom to rewarding careers.

2. What is Moog?

Moog is a global designer, manufacturer, and systems integrator of high-performance precision motion and fluid control solutions. Founded in 1951 by Bill Moog in East Aurora, New York, the company serves customers in aerospace, defense, space, industrial automation, medical technology, and other critical industries around the world. Moog combines technical excellence with a distinctive people-first culture built on trust, collaboration, and confidence in one another, enabling teams to solve complex challenges and drive innovation.

3. How many scholarships are available? How much?

The program will award **20** scholarships. Each scholarship awarded will be in the amount of \$1951, in honor of the year Moog was established and in recognition of their 75th anniversary. Dream It Do It WNY is proud to partner with Moog on this initiative.

4. Who Is Eligible?

Students may apply if:

- They are graduating high school seniors in 2027
- Attend school in Erie, Niagara, Chautauqua, Cattaraugus, Allegany county
- Plan to pursue an eligible post-secondary pathway such as advanced manufacturing, STEM, apprenticeships, technical training, college, university, military technical training, or related post-secondary programs.
- Please note, children of Moog and Dream It Do It WNY are not eligible to apply.

5. How are applications reviewed?

Applications are first screened for completeness and eligibility, by DIDI. Eligible applications are then reviewed by an independent, volunteer selection committee.

6. When will recipients be notified?

Recipients will be notified after final approval, with awards announced and presented in June. Any additional next steps will be shared at that time.
